

E-Safety @ SSB— how informed are you?

Parents' Information Session—Please join Us!

Beginning week 4, we will begin a campaign at SSB regarding E-Safety. We will begin our campaign with an information session for students (cl 4—10). Then, we will have weekly follow-up discussions as we work through the material provided by www.dubestemmer.no.

On January 27th, you are invited to attend an information seminar about online safety, social networking, building student and parent awareness and more! We will welcome Olivia Lind, Head of Office from Save the Children, as our keynote speaker. There will be time for Q&A as well.

Date: 27/01/2010

Time: 19:00

Where: Mozart Hall
